Situated in Ha Tay province, Viet Nam, Kings' Island Golf is an international standard golf club located 36 km. west of Hanoi, and 45 km. from Noi Bai International Airport. The club is located in the Kings' Valley on 350 hectares along the shores of Dong Mo Lake. Access to the course is by boat.

Kings' Island will have two 18 hole courses. The **Lakeside** Course opened in 1993. When the **Mountainview** Course opened in oct - 2004, Kings' Island is the first 36 hole facility in northern Viet Nam, including an air-conditioned clubhouse & restaurant, driving range, pro-shop, putting greens & sand bunker. Future developments include a new clubhouse, swimming pool, tennis courts, sauna, guest villas, and boat dock.

LEGEND OF KING GOLF ISLAND

In ancient times, the area now known as Ha Tay was reigned by the Good King Hung Vuong. One day the Mountain Genie, Son Tinh and the Water Genie, Thuy Tinh both fell madly in love with the King's beautiful daughter. The King decreed that the winner of his daughter's hand would be the first suitor to bring him an elephant with 9 turks, a cock with 9 spurs and a horse with 9 red hairs.

Mountain Genie, able to conjure up all things, instantly fulfilled the King's request. Furious, Water Genie unleashed violent winds and torrential rains in an attempt to destroy the entire kingdom. To stop this onslaught, Mountain Genie raised up the Ba Vi Mountains and forged a series of dams against the raging waters. By dawn the next day, calm prevailed and the vengeful Water Genie had been defeated.

Every year the spiteful Water Genie returns, bringing heavy rain to wage his battle yet again in Ha Tay. And every year, the benevolent Genie of the Ba Vi Mountains and the dam-keepers of the valley prevail to protect the people and creatures living below. At Kings' Island, the legend lives on - whether hitting a golf ball on the challenging course - or by simply drifting silently through its charming embrace.

LAKE SIDE COURSE

Lakeside was designed by American Golf Course Architect, Robert McFarland, who has been involved in designing championship golf courses around the world including Mission Hills California. He specializes in challenging designs using local terrain and natural hazards.

Lakeside includes numerous and varied uses of the water surrounding the course and the gently sloping terrain. Water is in play on 13 of the 18 holes. Nature herself has created a superb setting for this very challenging 6,454 Yards, Par 72 course.

Lakeside memberships will be offered after our new Mountain view Course opens

MOUNTAIN VIEW

The 18 hole Mountainview course is Par 72, 6442m (7100 yards). It was designed by Pacific Coast Design Pty. Ltd. Based in Melbourne, Australia. Pacific Coast has been involved in site planning & golf design for over 16 years and has completed major projects in India, Malaysia, China, Thailand & Australia.

The course is designed to fit the setting's natural contours. The design takes maximum advantage of the ambience of the waterside setting, distant mountains and surrounding trees. The layout of the golf course will excite and challenge all levels of players.

The new course will include a new clubhouse, boat dock, driving range, putting green, & practice bunker. Outside player use will be restricted in the first year.
